Name_____

Learning and Motivation Survey Assignment (10 points)

1. Print out your survey results/feedback and staple to this assignment when you turn it in.

2. What did your survey results/feedback indicate to you that you **found surprising**?

3. What did your survey results/feedback indicate to you that you **already knew** about yourself?

4. How will know if you have been successful in this course? **Be very specific! Less points for vague generalizations!**

5. **Describe two** ways, strategies, patterns of behaviors, and/or mindsets, etc. that you will be willing to change in order to increase your potential to succeed in this course?

6. **Circle one: A B** Would you prefer **(a)** to sit and listen to someone tell information or how something works or **(b)** to work in a team to find out information or figure out how something works?
