Dear Ms. Blankenship:

The National Association of Geoscience Teachers conducts a program in each state to select and recognize outstanding performance by a teacher of earth science. It is my pleasure to inform you that you were unanimously selected as the Arkansas Outstanding Earth Science Teacher for 1989.  
CONGRATULATIONS!!

You can be proud of this recognition for it brings honor not only to you but West Fork High. I commend you for your accomplishments; your students are the real benefactors.

To commemorate your achievement you will be presented with a plaque and a one-year subscription to the NAGT Journal of Geoscience Education.

Sincerely,

C. Q. Brown, President
