

A 3x3 grid of rock samples. The grid is defined by thick black lines. Each cell contains a number and a photograph of a rock sample. The numbers are: 2 (top-left), 3 (top-middle), 9 (top-right), 8 (middle-left), 1 (center), 5 (middle-right), 6 (bottom-left), 7 (bottom-middle), and 4 (bottom-right). The rock samples vary in color and texture, including shades of blue, brown, and grey.
